- **If the EMPLOYEE is sick, employee is entitled to:**
 - Full-time Employees – 80 hours of paid sick leave

 - Or, if employed for less than 6 months, the average number of hours per week the employee would normally be scheduled

 - To exclude certain health care providers and emergency responders from the definition of “eligible employee”
 - To exempt small businesses with fewer than 50 employees from leave to care for a son or daughter if school or child care is closed/unavailable when the imposition of such requirement would jeopardize the viability of the business as a going concern

EMERGENCY PAID SICK LEAVE CONT.

 - The Secretary of Labor is required to make a model notice publicly available no later than 7 days after enactment of the new law.
- **Employees:** After the first workday (or portion thereof) an employee receives paid sick leave, the employer may “require the employee to follow reasonable notice procedures in order to continue receiving such paid sick time.”

 - \$511 per day per person for qualifying reasons (1), (2) and (3).

- The tax credits are applied against employer Social Security taxes, but employers are reimbursed if their costs for qualified leaves exceed the taxes they would owe.

EMERGENCY PAID SICK LEAVE Tax Credits

- IRS has said they will be issuing guidance to address the “cash flow” challenge created by this tax credit.
- Guidance will allow employers to retain an amount of payroll taxes equal to the amount of paid leave that they paid, rather than deposit them with the IRS...in anticipation of the tax credit.
- Example:
 - “If an eligible employer paid \$5,000 in sick leave and is otherwise required to deposit \$8,000 in payroll taxes, including taxes withheld from all employees, the employer could use up to \$5,000 of the \$8,000 of taxes it was going to deposit for making qualified leave payments. The employer would only be required under the law to deposit the remaining \$3,000 on its next regular deposit date.”

EMERGENCY FAMILY AND MEDICAL LEAVE ACT

- **Employers with 1-499 employees**
 - How do you count employees? When are separate entities combined?
 - Need guidance from DOL
 - May look to FMLA “integrate employer” or “joint employer” tests.
- **Significantly expands FMLA on a temporary basis (through 2020).**
- **Any employee who worked for employer for 30 days prior to leave and has a qualifying reason is eligible (no requirement of 12 months/1250 hours)**
- **Provides up to 12 weeks of job-protected leave (paid after the first 10 days)**

EMERGENCY FAMILY AND MEDICAL LEAVE ACT

Qualifying Reasons

12 weeks of job protected leave when:

- “The employee is unable to work (or telework) due to the need for leave to care for the son or daughter under 18 years of age of such employee if the school or place of care has been closed, or the child care provider of such son or daughter is unavailable, due to a public health emergency.”
- Likely FMLA definition of “son or daughter” will apply.

“Public Health Emergency”

- An emergency with respect to COVID-19 declared by a Federal, State or local authority

EMERGENCY FAMILY AND MEDICAL LEAVE ACT

How Does it Work

- **First 10 days of EFMLA may be unpaid**
 - An employee may elect to substitute accrued PTO, vacation, or sick leave to cover any portion of first 10 days
 - Employer cannot require an employee to substitute such leave
- **After the first 10 days:**
 - Compensated at 2/3 of the regular rate
 - Part-time employees/irregular schedule entitled to be paid based on average number of hours employee worked in prior 6 months, or if employed less than 6 months, average number of hours employee would normally be scheduled to work
 - **Pay capped at \$200 per day and \$10,000 in aggregate per employee**
 - Bargaining unit employees – apply EFMLA consistent with the CBA

EMERGENCY FAMILY AND MEDICAL LEAVE ACT

- **Exemption**
 - An employer of an employee who is a health care provider or an emergency responder may elect to exclude such employee from the application of this section.
- **Secretary of Labor has the authority for good cause to issue regulations:**
 - To exclude certain health care providers and emergency responders from the definition of “eligible employee”
 - To exempt small businesses with fewer than 50 employees from the new law when the imposition of such requirements would jeopardize the viability of the business as a going concern

EMERGENCY FAMILY AND MEDICAL LEAVE ACT

Job Restoration/Reinstatement

- If 25 or more employees, traditional restoration obligation
- If **fewer than 25 employees**, the traditional job reinstatement provisions of the FMLA do not apply **IF** the following conditions are met (note this **does not excuse** provision of E-FMLA):
 - The employee takes E-FMLA
 - The position the employee held when the leave started does not exist due to economic conditions or other changes in operating conditions of the employer (i) that affect employment; and (ii) are caused by a public health emergency during the period of leave
 - The employer makes reasonable efforts to restore the employee to an equivalent position, with equivalent pay, benefits, and other terms
 - If reasonable efforts to restore to an equivalent position fail, the employer makes reasonable efforts to contact the employee if an equivalent position becomes available during the 1 year period beginning on the earlier of (A) the date on which the qualifying need related to a public health emergency concludes; or (B) the date that is 12 weeks after the date on which the employee's leave for E-FMLA commences.

EMERGENCY FAMILY AND MEDICAL LEAVE ACT

Interplay with Other Paid Leave

- Full-time employees may take their 80 hours of Emergency Paid Sick Leave (if applicable) for first 10 days of EFMLA leave (which would otherwise be unpaid).
- Employees may also elect to use other accrued paid leave (e.g. vacation and PTO) during the first 10 days
- Unclear if eligibility for EFMLA and FMLA (for other non-COVID-19 related reasons) is 12 weeks total. Statutory construction supports an argument this does not increase the overall 12 weeks FMLA requirement.
- This may be something the Senate tries to clarify in subsequent legislation or is clarified in guidance. The intent was likely to make this “in addition to” traditional FMLA.

EMERGENCY FAMILY AND MEDICAL LEAVE ACT

Notice Requirements

- **Employers:** No new specific notice requirement. However, under the FMLA, all covered employers must display a general notice (FMLA poster) about the FMLA.
- **Employees:** Where the necessity for leave is foreseeable, an employee shall provide the employer with notice of leave “as is practicable.”
- *Law goes into effect “no later than” 15 days after enactment of the Act (April 2)*

EMERGENCY FAMILY AND MEDICAL LEAVE ACT Tax Credits

- Employers subject to the requirements are entitled to a tax credit equal to the amount of the paid family and medical leave requirements paid by the employer.
- The tax credits for qualified wages are capped at \$200 per day and \$10,000 per calendar quarter per employee.
- The tax credits are applied against employer Social Security taxes, but employers are reimbursed if their costs for qualified leaves exceed the taxes they would owe.

EMERGENCY PAID SICK LEAVE Tax Credits

- IRS has said they will be issuing guidance to address the “cash flow” challenge created by this tax credit.
- Guidance will allow employers to retain an amount of payroll taxes equal to the amount of paid leave that they paid, rather than deposit them with the IRS...in anticipation of the tax credit.

- Emergency Family and Medical Leave Act – up to 12 weeks of job protected leave
 - The first ten (10) days is unpaid (but could be paid at 2/3 her regular rate of pay under Emergency Sick Leave).

 - Sally may elect use her 3 days of PTO, but she can not be required to

A FEW THINGS TO KEEP IN MIND

State and Local Laws

- Many states and local jurisdictions have their own paid sick days and family and medical leave laws, which may be in addition to these new federal requirements.
- Many states and locals are working quickly to amend their laws and/or add new requirements as well.

STATE/LOCAL SHUTDOWN ORDERS

Essential Services Includes:

- Retail fuel centers, such as gas stations and truck stops, and the distribution systems that support them
- Retailers that sell food and beverage products
- Restaurant carry-out and quick-serve food operations
- Food manufacturer employees and their supplier employees
- Employees and firms supporting food, feed and beverage distribution, including warehouse workers, vendor-managed inventory controllers and blockchain managers
- Others

STATE/LOCAL SHUTDOWN ORDERS

- State and local governments are imposing their own shutdown or “shelter in place” orders
- Some refer to the federal CISA guidance
- But some go beyond:
 - Create more exemptions
 - Limit exemptions
- Need to track these at every level and encourage them to follow the federal guidelines
